

# RUMPKE HYDRAULICS & MACHINING

## GREAT SERVICE FROM A NAME YOU KNOW

Rumpke, a leader in the waste and recycling industries, also specializes in hydraulics and machining repairs. Rumpke Hydraulics & Machining started in 1987. Conveniently located in Ross Township, Ohio, minutes from I-74 and I-275, we offer quick turn-around repairs at competitive rates.

Rumpke repairs and distributes hydraulic and machining components for projects of any size from any location, nationwide.

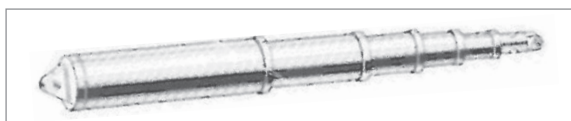

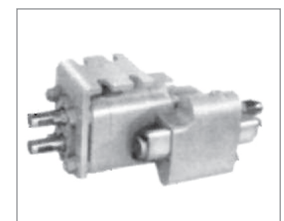

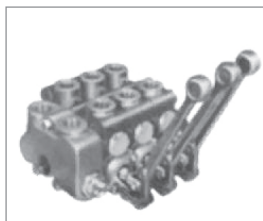

## LARGE PRODUCT SELECTION

Rumpke specializes in hydraulic cylinder, pump and motor repairs and sales; however, our professional and experienced team can handle a variety of hydraulic services, including:
